Dear Danny and Louise,

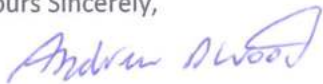

As another year of Sue Ryder Manorlands Hospice outdoor fundraising events draw to a close I write from Sue Ryder – Manorlands Hospice to thank you for generosity and superb service once again this year . Good fundraising teams bring in high income whilst keeping costs as low as possible and we are very privileged to be your chosen charity which helps in both these regards. Toilets are very important to participants and guests at events and your sparkling service is one of a number of important reasons why our supporters keep coming back year on year and helping us increase funds raised from events.

On the cost saving side, Convenience Hire's main tier sponsorship of the Keighley BigK 10K run and the resulting free toilets you provide give us a great boost at the start of the events year. Then for us to be able to hire toilets at a discount rate for other events throughout the year really does help the events to break even much sooner, meaning that more of our supporters' entry fees and all of the sponsorship money they raise can go to the incredible care that Sue Ryder provides.

Our care, as you are well aware, is vital to people living with and dying from palliative illnesses such as cancer. Each year we care for over 1250 local people and their families when they really need us and we would not be able to do this if it were not for the generosity of business owners such as yourselves.

I and the Manorlands team look forward to working with you and your team once again next year. Whether it is smart practical portaloos for mass participation sporting events or your luxury trailers for more formal events we will continue to only use and recommend your fantastic services to others.

Yours Sincerely,

Andrew Wood
